

**Ryan Chouest PowerPoint Bullets for 6/21/10  
Operational Period 6/22/2010 Sampling Period**

- For this reporting period, the Ryan Chouest has continued to log fluorometer measurements and observe/photo document sea-surface conditions.
- The fluorometer sensors recorded low to medium inferred hydrocarbon concentrations.
- The Ryan Chouest will continue to make transects north to south and collect water/mousse samples at suitable locations.
